

i didnt burn rosemary pdf

I like to burn the smudge stick when we first move into a house or after we cook fish, for example, or just when I feel the house needs to be refreshed energy-wise. I light the end and the blow out the flame and fan the smoke around the rooms. Sage is the common name for the Salvia plant, a genus of plants in the mint family. I have some growing in my back patio and in our community garden.

Making Incense with a Summer Crop of Sage and Rosemary

To this island come S a mystical teacher and eight young followers. S. and his group turn a number of broken down cottages in the Deserted Village into roughly habitable buildings and convert the deconsecrated church into a place of meditation. And then Rosemary dies mysteriously. No one knows why, nor why S had her burned on a funeral pyre.
