If I were in charge of the world A chocolate sundae with whipped cream and nuts would be a vegetable All 007 movies would be G And a person who sometimes forgot to brush, And sometimes forgot to flush, Would still be allowed to be In charge of the world.

### **If I Were In Charge of the World By: Judith Viorst**

If I were you. If I were you... is used when giving ADVICE about what you would do in the same situation as the other person. You imagine yourself in their position or situation and what you would do or how you would react. If I were you, I would study more. If I were you, I would stop doing that. If I were you, I would go to the doctor.

### **If I were you - English Grammar**

Who were the major congressional participants in developing Social Security legislation? With so many delegates speaking so many different languages, how does the United Nations get anything done? I love watching TV court shows, and would enjoy them more if I understood some of the legal jargon, like ex post facto.

### **Which is correct: "if I was" or "if I were"? And why?**

If she were here, she would explain the situation. The second group of sentences refers to a situation that was always true in the past. In this case, the past simple is used.

### **Which Is Correct: If I Was or if I Were?**

In American English, however, were is required in hypothetical sentences like these, rather than was. For detailed answers to your question, please see • If I was • or • If I were •. Which is more common, and which is correct? .

## british english - "If I was" vs. "If I were"

"If I was" only it were true, "If I were" wish it were true. Because we use the simple past tense in English for real and unreal conditionals, you normally cannot know whether it's the unreal case until you hit the "then" portion.

## word choice - When to use "If I was" vs. "If I were"

Good, average, American men were there; married men for the most part, and happy-as happiness goes in general. In the minds of each and all there seemed to be a two-story department, quite apart from the rest of their ideas, a separate place where they kept their thoughts and feelings about women.
