Pearson - Instructor's Solutions Manual (Download only)

In my search for particular solutions manuals, I would usually stumble solutions manuals for related textbooks. I would just download those and start using the other book's problems. Hopefully the original book's chapters are decent enough for the book to remain useful, even though I essentially moved on to the second, usually older textbook.

How do you get solution manuals for your text books? - reddit

Since its first publication in 1983, Modern Physics 3rd edition (PDF) has been one of the most widely used textbooks for the sophomore-level modern physics course for engineering and science students.
