Introductory Econometrics: A Modern Approach

heavy reliance on electronic transmission of messages (email) in today's business environment. Receiver is the other party for whom the message is intended. Communication can only be deemed to be complete when the receiver receives the message and understands it properly. Feedback is a message/response sent back from the receiver to the sender.

Chapter 1

MODERN MANAGEMENT THEORIES AND PRACTICES: A CRITICAL OVERVIEW Introduction Managing is one of the most important human activities. From the time human beings began forming social organizations to accomplish aims and objectives they could not accomplish as individuals, managing has been essential to ensure the coordination of individual efforts.
