The Journal of Social, Behavioral, and Health Sciences, sponsored by Walden University, is a peer-reviewed, online, interdisciplinary journal focusing on theoretically-based research that addresses contemporary national and international issues.

### **Journal of Social, Behavioral, and Health Sciences**

Historically, most research on gender and social influence has focused on gender differences in influenceability, the extent to which men and women are influenced by others. In fact, the numerous studies on this topic have been reviewed several times (e.g., Becker, 1986; Eagly, 1978; Eagly & Carli, 1981).
