Wanted: A Just Right Government Name: Reading p.1 Lots of Differences With thirteen different states, there was no easy solution. Here's why: States had different needs. For example, some states depended on fishing, while others mostly grew crops. States had different sizes. Some states had many people; others had few.

Teacher's Guide - mrswhitecawoodelementary.weebly.com

Help students prepare for reader's workshop by picking the perfect books to read independently. A little bit of a challenge can help young readers expand their vocabulary, but too much of a challenge can make reading a chore. In this activity, students will choose three books that look appealing and read one page.

Picking "Just Right" Books | Worksheet | Education.com

Have the students organize school materials: study notes, assignments, books, papers, etc. Have the student make a daily list of homework assignments so parent and student can both monitor progress on work. Help the student work to find the answer rather than doing the work just to get it done.

Teachers call this a "just right" book, or a book that is at the childâ€™s instructional level. Let me explain what that means. A just right book at a childâ€™s instructional level is a book that stretches the child just a bit "not so much as to make him frustrated but enough to continue his growth as a reader.
