Applications of the Vygotsky's Social Development Theory. Many schools have traditionally held a transmissionist or instructionist model in which a teacher or lecturer transmits information to students. In contrast, Vygotsky's theory promotes learning contexts in which students play an active role in learning.

Social Development Theory (Vygotsky) - Learning Theories

The Principles of Developmental Psychology 1 LEARNING AIMS At the end of this chapter you should: • be able to articulate the principles of a life-span developmental approach • be able to explain the different meanings of development • be familiar with and able to describe the key issues in the study of child development
