Knights of the Dinner Table is a comic book/strip created by Jolly R. Blackburn and published by Kenzer & Company. It primarily focuses on a group of role playing gamers and their actions at the gaming table, which often result in unfortunate, but humorous consequences in the game. The name is a parody of King Arthur's round table reinforced by the truism that roleplaying aficionados often end up sitting round their host's dinner table as it is the only one large enough to accommodate the party.
