What are driver license restrictions? To a great degree, driving privileges are based on your physical ability to drive. Drivers of any age can have driver license restrictions. A restriction on your driver license limits when you can drive or requires that you meet specific conditions when you drive. For example, the most common driver license restriction is the "corrective lenses" restriction.

Driver license restrictions for medical conditions | New

HEDIS Measures and Technical Resources. 184 million people are enrolled in plans that report HEDIS results. That makes HEDIS one of health care's most widely used performance improvement tools.
